WORK EXPERIENCE

AI & Data Analytics Intern | Edunet Foundation (AICTE VOIS for Tech) | Sep–Oct 2025
- Participated in 4 masterclasses on data analytics and LLMs, applying skills to agriculture, science, and business domains.
- Completed curated e-learning modules and weekly project milestones under mentor guidance.
- Delivered a final analytics project and presentation, earning certification from AICTE and Edunet Foundation.

Web Development Intern | ApexPlanet Software Pvt. Ltd. | Sep–Oct 2025
- Built responsive web pages using HTML, CSS, and JavaScript in a structured internship program.
- Gained hands-on experience in frontend development and debugging in a live project environment.
- Followed company practices for code quality, confidentiality, and virtual collaboration.

PROJECTS

Personal Portfolio Website | portfolio-beta-abhi.vercel.app　　　　　　　　**September 2025**
- Developed a responsive web app that recommends career paths based on user inputs using HTML, CSS, and JavaScript.
- Implemented local storage and dynamic rendering to personalize user experience and retain preferences.

AI Career Guidance System | abhi-s-project.vercel.app　　　　　　　　　　**October 2025**
- Designed and deployed a multi-page portfolio showcasing skills, projects, and contact info with responsive design.
- Integrated GitHub and LinkedIn links, optimizing layout using Flexbox, Grid, and media queries.

Frontend Web Development Projects | **ApexPlanet Internship**　　　　　　　**Sep–Oct 2025**
- Built responsive web apps including a to-do list, product filter page, interactive quiz, and capstone portfolio using HTML, CSS, and JavaScript.
- Applied DOM manipulation, localStorage, media queries, and API integration to enhance interactivity, performance, and user experience.

CERTIFICATES

- **Web Development Using AI Tools　Hackathon**　　　　**Brain O Vision | January 08, 2025 – January 10, 2025**
- **Internshala Student Partner (ISP) Program**　　　　**Internshala | April 2025 – May 2025**
- **Generative AI Foundations WorkShop　UID: Zz12KI0FIUU70UZe**　　**Microsoft & upGrad | May 18, 2025**
- **Level 1 in Machine Learning　ID: 2238480**　　　　**istudio | August 08, 2025**
- **Introduction to Python**　　　　**Infosys | August 25, 2025**
- **Fusion AI Agent Studio Foundations Associate - Rel 1**　　　**Oracle | September 02, 2025**
- **Introduction to Artificial Intelligence**　　　　**Infosys | September 4, 2025**
- **AWS Cloud Practitioner Exam**　　　　**GeeksforGeeks | September 05, 2025**
- **Career Edge - IT Primer　ID: Date: 8739-24696607-1016**　　**TCS iON | September 08, 2025**
- **Artificial Intelligence Fundamentals**　　　　**IBM SkillsBuild | September 19, 2025**
- **Communication and Personality Dynamics**　　　　**IBM | September 20, 2025**
- **Problem Solving and Process Controls**　　　　**IBM | September 25, 2025**
- **Python(Basic)　　ID: DB22DF0F3721**　　　　**HackerRank | September 27, 2025**
